WYANDOTTE COUNTY EXTENSION OFFICE:

In ground, raised beds, containers, trellises and perennials are all ways to fill a pantry! Everyone has a challenge, yet everyone can be successful. Learn the ins and outs of what to grow, growing requirements and pests of our common vegetables. Like raising children, there's usually more than one way that works. During Q&A share what's worked for you and we can learn from each other, too.

Pre-registration for this class is not required.

There is a \$10 class fee payable at the door.
