K-STATE
Research and Extension

Master Gardener
Wyandotte County

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact Jo McLeland two weeks prior to the start of the event (insert deadline date) at (913-299-9300 or jo1@ksu.edu). Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.

How did you hear about the program and why do you wish to become a Wyandotte County Extension Master Gardener.

Thank you for your interest in the Wyandotte County Extension Master Gardener program.

Training Agreement

I wish to become a Wyandotte County Extension Master Gardener Trainee and will be available for the 7 sessions beginning September 12 through October 24, 2023. There is a \$125 fee for the training course and materials. I understand that if accepted into the Training Program, I am entering into a contract to return 40 hours of volunteer time on approved Extension Master Gardener projects during the calendar year following basic training course completion. I further understand that continuation as an active Extension Master Gardener in good standing requires a minimum of 25 volunteer hours annually on approved Extension Master Gardener projects.

I understand that Extension Master Gardener volunteers may not participate in the Wyandotte County Extension Master Gardener Program for personal gain or for commercial/professional purposes. Extension Master Gardeners are expected to provide recommendations based on research-based information, and to provide educational program assistance in support of the general County Extension educational program.

Extension Master Gardeners operate under the supervision of a trained Extension professional responsible for monitoring their performance and the progress of their continuing education.
